The Premises:

Grubby, untidy and dimly lit flat down a side alley near Camberwell Green.

The Lady:

Young black girl, said to be Cuban. Excellent figure with flat stomach and curvy posterior, but her breasts were enhanced, not natural as stated in the ad. Big, frizzy hair which attached itself to me, I was still removing bits of it on the way home. Virtually no English, just "yes" and "extra", see comments.

The Story:

This encounter was a disaster due to Lily's almost complete lack of English and assurances made on the phone by the maid which Lily was not prepared to honour. Both on the phone and when I arrived the maid had confirmed Lily could provide OWO for the agreed price, but Lily's response was one of her two words of English "extra". I did not have "extra" as I have a policy of not taking my wallet into flats, just the exact quoted money (I was once with a girl when the flat was raided by the vice squad, I prefer not to have any ID or credit/debit cards etc on my person). So, covered "O" which Lily performed like a Dyson on heat. All in all a less than erotic experience, I will not be returning!
