The Premises:

A modern flat near Fenchurch Street close to the Old Tea warehouse. It is just round the corner from the Gherkin building.

The Lady:

A really pretty & young dark haired Romanian girl with a lovely figure and large enhanced breasts.

The Story:

I had a good time. Lorrette was very friendly and she looked gorgeous. As boob jobs go hers was done very well. They just looked too good to be true but they weren't hard and they felt ok. We had sex in the doggy position which was excellent especially as she had a lovely bum. I couldn't resist concluding the session by coming over her breasts.

There is another young girl who works at the same address.
