The Premises:

Roses Retreat is a nondescript end row terrace house on a main rd facing Heaton Park in Prestwich, North Manchester.

Discreet back entrance, 1 subtle name sign (that I saw). Plenty of nearby parking space,. Friendly welcoming staff & girls, relaxed, laidback atmosphere.

I was in the downstairs room which I liked, nice size, nicely decorated, nice bed, nice sofa. It was..... nice!

Good ensuite shower with plenty of hot water & clean towels

Not too sanitised or corporate which appealed to me.

I found the place & the girls very comfortable to be in & around which obviously enhanced the experience.

The Lady:

Megan is a good looking brunette with blonde highlights, in her 30s, 5' 7", curvy body, boobs & booty, size 12.

Great smile & a glint in her eyes. Really attractive.

Website description & photos accurate.

Relaxed & easy to talk to, obviously intelligent, can hold a conversation on different subjects.

Very tactile & engaged in our time together

She gave me a great time (& I think/hope she enjoyed it as well).

The Story:

Really great punt this, went like a dream.

I was just finishing in the lovely hot shower when Megan entered.

She stripped down whilst I dried myself, little bit of smalltalk, she'd been watching a thriller/horror film with the other girls in their down time, she told me she wasn't brave enough to watch it on her own, lol.

When I was finished with the towel she walked over to me wearing just a pair of black stockings, her make up & a wicked smile.

Quite a sight!

She had a glint in her eye.

We began kissing, full on DFK with a lot of tongue & lightly caressing each other.

After a bit I suggested we got on the bed where the french kissing & stroking continued before I moved down to her lovely, full boobs, natural 34Ds with big suckable nipples then down to between her legs, she was fresh & clean

She has a cute little tuft of pubic hair that I liked.

She was really responsive during the RO, sucking her clit & licking the area around it, really got her going.

Lotta jerking, spasming & gasping (no 'Hollywood' moaning) with her eyes closed & a smile of pleasure on her face, I looked up & she seemed 'in the zone', her big tits jiggled as she responded to the oral. The sight of that really turned me on.

I increased my effort & continued, with a little bit of fingerplay, until her muscles tensed & she came & then pushed me away because she was too sensitive for me to carry on (Coulda stayed down there all day!)

When I came back up to kiss her, she was smiling ,had a lovely flush on her face & was still recovering.

Definite genuine orgasm.

Some more DFK & mutual caressing.

Great eye contact, a real turn on.

I was rock hard & wanted to fuck but as she got the rubber I touched her pussy & she spasmed, she was still sensitive, so I lay back for her to return the favour.

Nice tease to start with then some great ball licking which I always love,.

Good BJ, nice rhythm & great eye contact through out, she flicked her tongue over my banjo string before I asked her to get the condom.

Cowgirl.

She grinded on me, eye contact, little bit of dirty talk from me, naughty smile on her face, bit of spanking, her big boobs hanging inches from my face had to be sucked before i pulled her into me for some more deep french kissing.

Heaven!

Mish

Again fantastic, the pillows didn't survive the heated action & fell off the bed!

She didn't even notice.

I rubbed her clit as we fucked, constant eye contact from Megan, she was really engaged & participating in the experience rather than just going thru the motions.

She was really in the moment.

Mutual satisfaction.

Fantastic.

More kissing & caressing as I recovered some stamina before I went down on her again & worked her clit.

Again she had her eyes closed in pleasure with a lovely, content smile on her face.

I decided to cum in the rubber, she spread wide (always a turn on) & was looking right at me, didn't take long, after a minute or so I came.

A strong one, felt myself filling the bag!

Some really lovely sensual kissing & caressing as we lay on the bed recovering. No rush.

It felt like being with a lover not a wg, despite the fact we'd first met roughly 30 mins before, really natural & relaxed

A dream punt with a gorgeous, sexy, woman.

A couple more kisses after we'd dressed & I left feeling fantastic, a great start to the weekend.

Luv to see her again.

I recommend Megan & Roses.
