The Premises:

A four star hotel a few minutes walk from East Croydon railway station. Coming and going was easy and nobody suspected a thing. The room was functional but nothing special.

The Lady:

Anne-Marie is an attractive lady in her early 20s with dark hair, around 5'9" tall with lovely D cup breasts. She told me that she was Italian but she was clearly Romanian. She speaks reasonably good English. Although the photos of Anne-Marie on her AW profile are of her as a blonde, she was the girl I met. She has a few tattoos and also smokes.

The Story:

I'd left it too late to visit my usual haunts so I had a look on AW to see what was available. Anne-Marie's profile is new and her good looks caught my eye so I called her. There was no reply but I received a text shortly afterwards that gave me the name and address of the hotel that she was working out of. I texted again on arrival as requested and went up to Anne-Marie's room after she texted me her room number.

After completing the paperwork for a 30 minute visit, Anne-Marie spent several minutes messaging on her phone which wasn't a good start to the session. After we had both undressed, there was an enjoyable few minutes of mutual caressing. This stopped abruptly and she put the condom on and gave me a blow job which was okay but didn't last long before she moved things on to sex in the missionary and cowgirl positions. Bizarrely, she then removed the condom and finished me off by hand despite us being only half way through my 30 minutes.

Anne-Marie did not allow kissing anywhere on her face despite what her AW profile claims she likes and the whole experience felt rushed. Despite an en-suite room, she said that I couldn't have a shower afterwards so I washed my hands and face in the bathroom and helped myself to the mini shampoos to try to claw back a few pence of the money I'd just wasted.

Anne-Marie's AW profile has the audacity to claim that she is good in bed. The truth is the opposite. Overall, a very poor punt.
