The Story:

Comms were easy and parking is available right outside and nearby the location.

Decided to book Jennifer as she offered a good range of services and the choice of other ladies was rather limited. Arrived a bit late due to traffic, but the Maid had rearranged appointments so that I could still see Jennifer.

Jennifer is as per the photos, definitely not a size 10, more a 12/14.

Had asked for watersports, and we started with this in the bathroom. Jennifer said that she had never used a strap-on, but was willing to give it a try. For a novice, she did a good job with it, before finishing round one with a lengthy bout of OWO and CIM.

Opted for a massage which was actually good and not your standard WG light fingertip massage. There was a brief attempt by Jennifer at round two, but gave up fairly quickly when nothing was happening.

Overall, it was a nice first 30 mins. But I found Jennifer too reactive and required direction during the punt. According to her, this is her first stint as a WG and it showed in certain aspects, but she is friendly and good to chat with during a punt, just not the filthy bitch type that I normally enjoying paying to fuck!!!

I have to learn my lesson and only book a 30 min session with a new girl or one with little feedback after a number of recent experiences where round two doesn't happen.

Have rated as positive as she delivered all of the key services well, but I would not return as prefer

a more assertive WG. Jennifer would be good for you, if you only want a vanilla punt.
