The Premises:

The premises were really easy to find. About two minutes walk from West Kensington tube station. It was a lovely clean flat and I had a nice shower before I started.

The Lady:

10/10! This girl is probably the most beautiful girl I have been with. Check her photos on the House of Divine and Annabellas Twitter pages. No blurred out face and what you see there is gorgeous....but not as nice as actually seeing her in the flesh! Reminded me of Kendall Jenner a bit though Megan Fox is probably more accurate. Yes, that good! You won't find a better pair of breasts or a nicer bum in London, no matter how hard you look!

The Story:

Kim greeted me with a "Hi, i'm here!" as she walked in with her breasts exposed and looking as perfect as could be. I would have paid a fair sum of money just to see her naked but she got on the bed with me and in a short while was giving me a soft OWO. It felt incredible that someone so beautiful was doing this to me! And then she asked me if I wanted to fuck her and what position would I like!! All my dreams came true! I started off in missionary position and then she rode me. Then it was time for some nice gentle sex from behind. I finished off by licking her beautiful pussy before we went to the bathroom for some water sports. Though she struggled to piss on me, her efforts to get some out were above the call of duty and she sprinkled me with some for my water sports debut. I couldn't have asked for anyone better to do it to me. Sadly Kim is going back home in less than two weeks home. I would like to see her again when she comes over next year. I think she could turn out to be very addictive! Thanks Kim for a lovely half an hour. I will never forget it!
