The Story:

This is my first review, for reasons I will explain, but by no means my first punt. I've been lucky enough having worked in Milton Keynes for 15 years to experience the many delights on offer there - in fact probably scared to count up how many girls I've seen. I think of those still working the gorgeous Yana and horny Foxy stand out.

But Claire is a real gem, and I can't believe she hasn't more reviews, hence this one. She is one of the very, very few I have seen more than once.

I won't go into too much detail but all services stated were on offer, we went through a few, and all round it was very horny.

The thing that stands out was that it all felt so natural. A nice chat, a great blow job, fantastic sex then a laugh and chat after. I would say dirty GFE if pushed to classify.

Which to me is pretty much spot on for what I want in a punt.
