The Story:

I contact Little Emily on AW through email and arranged a possible meeting for three days ahead. She agreed and gave good response to my email. Following the email exchange, I also sent a booking request. On the day of the meeting she contacted back saying if I could possibly meet earlier than the agreed time of 6.00 pm. I suggested 3.30 pm which she happily accepted. As she had no number on her profile, she said she would call me around lunch time to give address details etc. I kept waiting for the call but didn't receive any response. I also sent a couple of emails on AW. At 3.25 pm (5 mins before our scheduled meeting) she emailed back saying if I could do 5.30 pm. Despite being highly disappointed, I agreed as I had already spent a lot of time and effort in arranging this meeting. Again, at 5 pm I contacted her to provide address detail etc. She replied back saying she could not make it today but she will be happy to re-arrange. At that point I was extremely annoyed; however, I decided to re-arrange for two days ahead. A day before our second (re-arranged) meeting and on the day itself, I contacted her and she confirmed she would call me 'shortly'. However, I didn't receive any call. She completely ignored and didn't respond at all.

I have been completely let down by her, not just on one occasion, but twice. Moreover, the whole thing felt orchestrated and she pretty much did this on purpose. I received similar feedback from other fellows who tried to arrange meeting with her. In my opinion please avoid this girl as she is arrogant, irresponsible, and complete waste of time.
