The usual place near Victoria.

The Lady:

There's no doubt that Arabella's classy in manner, speech and appearance. Classy as in posh, what Debrett's in the 1950s defined as U rather than non U to distinguish the truly posh from middle class wannabes. The sort whose daddies owned big old houses in the country and also a town house in Chelsea/Kensington/Mayfair, own Labradors and jack russells and go foxhunting.

Brit,30 something, tall, willowy physique, blonde, small breasts possibly enhanced, fully shaved between the legs, friendly though a bit on the shy side.

The Story:

Arabella's exactly how I imagined her to be from the blurred photos on her profile. The initial kiss on meeting morphed into a fk then into dfk as things hotted up. I also enjoyed her excellent owo technique, having my nipples licked which she did on her own initiative, sex in missionary culminating in a lengthy and a very satisfying cim.

I was very much attracted to her and will undoubtedly be returning to see her again soon. As the blurb on her profile says she's going to be an allstar in no time.
