The Premises:

Not the smartest of flats I've visited with Annabellas but tidy enough. Bedroom was a little bigger than the double bed but still perfectly acceptable.

The Lady:

Angel is a big girl. I don't mean fat as her body is beautifully athletic but she is the only escort I have met that rivals my 6 foot height. I normally prefer the more petite girls but Angel was something a bit different for me. Her body is immaculate and those boobs are absolutely phenomenal! I can't stop thinking about her hanging them over my face and dropping them into my mouth. Very pretty face too and perfect silky hair. Just like her photos and I think the age was about right. Early to mid 20s. No tattoos but a couple of piercings. Very elegant and very beautiful.

The Story:

After being greeted by the maid I was asked who I was seeing and led to the small bedroom to wait. It was a good 6 or 7 minutes before Angel walked in but as soon as she did, I knew I'd made a good choice. Full of smiles and energy I knew this was going to be a pleasant experience.

With the paperwork dealt with immediately (never make them ask fellas), Angel moved in for a tight embrace and some kissing. I wouldn't describe it as DFK but it was passionate and pleasant enough. Angel is clearly very experienced and immediately put me at ease with her friendly way.

Angel told me to make myself comfortable on the bed and teased me a little with her exquisite body and breasts before starting to pay plenty of attention to the little fella. She asked if I would like with or without. Without please. Next came an excellent OWO which I then readjusted to a 69. Sweet!

A few minutes later Angel had very discretely covered me up and turned around to ride me. This was an absolute treat and despite Angel being bigger than most girls I go for, I still felt like I was in control.

The next 20 minutes were a fantastic mix of different positions which I chose to end with doggy in a piledriver sort of way. All the while I couldn't keep my eyes or hands off her tight ass, flat stomach or

perfect breasts. She seemed to fully enjoy herself and moaned and encouraged throughout with a mouth that's just filthy enough for my vanilla taste.

Finishing deep inside Angel was phenomenal (for both of us it would seem) and being so much older than her, it left me embarrassingly out of breath. A very fulfilling experience with an absolute Angel!
