The Story:

I was met at the door by Amanda who was wearing bra panties and shirt and nothing else. Amanda offered me a coffee then we sat down to chat for a few minutes. Amanda greets you with a smile and soon has you feeling relaxed and at ease.

Once we had finished our coffee we went into the bedroom, Amanda offers full gf experience loves to kiss and be kissed and to make your time with her a time to remember. I removed her panties and licked her bald pussy then licked her nice round boobs. Amanda then sucked my cock and once ready the condom was put on and my cock was in her nice wet pussy. Amanda really knows how to satisfy you and soon I climaxed. Amanda is a very caring lady who likes to make sure you enjoy your time with her. I will definately be back very soon.
