The Lady:

As per her photos on the website. A real stunner, with piercing eyes, a great smile and a body to die for if you like curves on your women. Very tanned all over and dressed in the very revealing ego tunic that leaves a little to the imagination, but not a lot.

The Story:

Having read the reports on Ego Massage, I wanted to see if an erotic massage would be as satisfying as time spent at HOD and Annabellas. Well the answer is a resounding yes. I spent about 15 minutes in reception in conversation with Rachael and Roxy, as there were no rooms free immediately. This just added to the sense of expectation, as previously mentioned above, the tunic was very revealing, and very teasing. Roxy took me to the room, and Rachael followed shortly afterwards. As we discussed which massage I would have, Rachael took off her tunic to reveal a toned, tanned, curvy figure, with some very nice tattoos and silky red underwear. So would you like the B2B massage then, she asked, with a knowing smile and a glint in her eye.. Ha Ha, as if I could answer anything else other than YES. I showered, by which time Rachael was fully naked, beckoning me on to the massage couch. The next hour was a sensual, erotic, tactile and incredibly satisfying experience. Rachael provided me with a really firm massage with her hands and forearms both on my back and front, interspersed with her using other parts of her body to gradually increase the level of arousal. I experienced a happy ending in all senses of the phrase. As well as being as sexy as hell, Rachael was great company for the whole hour, and at no time did I feel pressured or rushed.

I would thoroughly recommend the Ego Experience to anyone, and the Rachael experience in particular. Fantastic.
