The Premises:

Not far from Salford town centre, back entrance, pretty discreet on the day I went.

Inside, Buckingham Palace it ain't, but I wasn't there to admire the decor.

The room I was in was basic & small but served the purpose.

Decent shower, hot water & clean towels.

Friendly staff & girls.

Felt comfortable there.

The Lady:

Gorgeous.

Website photos don't do her justice, tall dark haired girl, early to mid 20s, very nice large natural boobs, long legs with sexy thighs, nice big booty, size 10.

Lovely big Brown eyes, I thought her make up was well done, really brought out her good looks.

Very attractive.

The Story:

Thought I'd check out Sheridans after hearing positive reports about the place & i'm really glad I did because I had a good time.

I plan on returning & seeing a few more of the girls there.

Kimberley was one of 2 girls who was available & soon as I saw her it was a done deal.

Totally my type.

She was wearing bright red babydoll lingerie, showing off her great rack, legs & arse & a pair of black strappy stilettos with her toenails painted pink.

Like 'The Wire's' Clay Davis, my brain was saying Shhhhhiiiiiiiiitttttt!!

Very Sexy.

Kimberley walked in as I was showering & was shocked & startled when I was in there starkers, she apologised & threw a towel in & quickly shut the door, I thought it was pretty funny considering the circumstances! Lol.

Anyway the whole encounter lasted roughly 15 minutes & i'm usually a right to the time limit merchant.

Light french kissing, decent owo BJ, little tit fuck (velvet soft of course), some good doggy which got a nice response from her (she felt tight & I had to slow down to stop myself from cumming after

about a minute), bit of spanking.

I ate her out from behind & as she lay on her back, powerful thighs!, pretty vocal reaction, not sure if it was genuine, rehearsed or a bit of both.

A bit of mish, she spread wide, her sexy heels hitting the wall in the small room, nice eye contact.

Again light, brief french kissing .

Oh well.

Finished with a BJ & attempted CIM, most of the load landing on my stomach.

She asked for a kiss goodbye after cleaning up & was then offski pretty sharpish.

It felt a little rushed but nothing major considering the price.

I found Kimberley friendly & down to earth, easy to talk to, a good Northern girl.

I definitely wanna go back & see her cos she's so gorgeous.
