The Premises:

This was the place near Victoria. Again clean, comfortable and discreet albeit functional. I find it gets very hot in the summer months.

The Lady:

I had seen the many reports and pictures of Elise so was looking forward to this encounter. I don't think she is as attractive as the photos on their website suggest (which is my general impression of their photos) but the one's on their twitter and indeed Elise's twitter handle are absolutely accurate. Nevertheless she is an attractive Hungarian blonde with an enticingly slutty look, a good meaty figure and a nice pair.

The Story:

Unfortunately I got the number mixed up with the flat no of their Warren St branch and arrived 15 mins late for my appointment. It would have been very easy for HOD to say I only had 15 mins left but credit to them it wasn't an issue and Elise's first question was how long I wanted to stay.

Elise is a skilled practitioner which sounds a bit clinical but is meant as a compliment and I had a good time nuzzling on her tits before she returned the favour and proceeded to give me a wonderful blowjob. Again, as with Adrienne the day before I was determined to finish with sex and so I mounted her missionary style and had a great little fuck. Afterwards enjoyed some pleasant post-coital bliss with Elise taking it to the full 30 mins.

Overall a good session with a good girl.
