The Premises:

Ground floor apartment in the City centre , lots of parking near by . I was given directions by text so made finding the place really easy. inside greeted by a friendly helper who showed me to the room which was well presented , lots of mirrors and nicely decorated.

The Lady:

Petite Blonde ,5 feet tall , Long Blonde hair , cracking figure , all natural boobs , soft peachy arse , pretty face , warm engaging personality, looks like the photos but much nicer in real life. Classy Milf , real life fantasy babe.

The Story:

Petite Blondes rock my world! I'd seen the photos of Claire wearing her long black "Fuck me" boots and knew I wanted to see her as soon as I could , you see attractive well dressed ladies in the street or movies and think I'd love to fuck that well here was that dream come true.

In walked Claire in those boots and a little PVC number and I was ready to go , we kissed in a full on French way and I got her to play with my fully erect cock in front of the mirror so I could get a good view of her in all her sexy glory, Claire decided it would look better if she was sucking my cock , this girl is the best! Next I got to taste her lovely pink pussy , it was a real turn on , it sounded like Claire was enjoying it , I hope she was.

By then I really needed to fuck this gorgeous sexy babe , me on top so I could enjoy kissing her while I got my cock inside as deep as I could, this lady has a nice tight , wet, hot pussy , it was so horny, Claire then said she wanted it Doggy style and I was very happy to oblige, this girls a great fuck guys .

Before too long I knew I was about come so asked her if I could do so in her mouth , Claire looked like she wanted me too and sucked my cock and licked my balls until I went off big style , there was so much as I'd such a great time. This was a quality punt , I loved every minute, if you're not sure about seeing Claire you won't be disappointed, she knows what a mans wants and makes you feel like a King.
