### The Premises:

Much reported on and described: in a commercial area, but certainly OK in daytime, with good attention to security having been given. Now that the ground-floor large room has been converted to two smaller rooms, this shop has four in total (+, of course, the girls' room). All are well-presented and, comfy and warm. In fact, around three visits ago, and while I was waiting, I had a long chat with boss Shannon (whom I've known for, it must be, 20 years, man & boy / WG & boss), as she was lying stretched out on the floor painting the skirting-board in the large upstairs room which was used for this encounter.

### The Lady:

Neither are in the first flush of youth, and neither is built like a sylph. That said, both Leanne and Jamilla are exactly how I like them: curvy, experienced and very willing to please and pamper. Actually, Jamilla, it turns out, is a GILF so could, technically, be in her early-mid 30s. She is not, but she definitely does not look or behave that much "older" than this. She has recently taken off a bit of weight, and I've agreed with her that she shouldn't go any further with this - 'cos we don't want to lose any firm shape from her lovely titties, do we? She is light brown, her father originating from south Asia.

Leanne white English and is also into a fitness regime, it would appear, but, again, I like her just as she is, with proper womanly curves and nice big boobs.

I believe that both work here only on Thursdays.

### The Story:

However, it's in their attitude and performance where these two stand out and where they can't really be faulted. Regular readers will know that I've always strongly preferred GFE to PSE, so I can't comment on how they would be as porn-stars, but I can report that their GirlFriending over half-an-hour is wonderful. There are lots of no-holding-back kisses, great OWO from both in the time-honoured turn-and-turn-about routine, lovely nookie (they are both tight and juicy) with just the right amount of appreciative noises, and then a HJ to finish. Finally, a welcome massage to ease my poor old bones and muscles, and friendly conversation about everything and nothing.

Leanne and Jamilla know what I want, and they seem happy to deliver it. I'm not sure that there's anything else to ask for, and I thank them here as I have done in person. It goes without saying that I award them both a high recommendation. It helps that this shop is welcoming, has a good atmosphere and friendly receptionists (on this occasion, Penny, to whom thanks for the tea!)
