The Premises:

Comfortable, clean, well furnished, property, plenty of free parking in car park near premises in shopping area of MK2.

The Lady:

This is my first FR for 3 years and just had to do one for the unique, elegant, sophisticated, sexy as hell Olivia. It has seven long years since I last saw the gorgeous Olivia and I turned cartwheels, metaphorically, when I realised that she was back. It says on her bio that she is a 'busty british milf cougar' and she is that and so much more. Full breasts with nipples that just beg to be sucked, derriere that is just too perfect for words, great pair of legs and a face that could launch a thousand ships. It says that she is in her 40's but could easily pass for a lot younger.

The Story:

Greeted with a long lingering kiss and hug. Chatted about what we had been up to, briefly, and then after some more kissing Olivia lay back on the bed and spread her legs to allow me in. Sweet pussy, makes appreciative noises, not ott, and gets really wet. More kissing and Olivia takes my cock in her mouth and sucks it with varying speed and pays attention to my balls and shaft licking and teasing. Into a prolonged 69 allowing me access to that pussy and bottom and before very long I exploded into her mouth. A clean up, more kissing and chatting and off into the street with a skip and a jump. Olivia was even better than I had remembered her and it will not be 7 years until I see her again.
