The Premises:

Discrete city centre location, a few minutes walk from multi storey car park. One of 6 flats under the excellent One2one banner. All bookings for all premises handled through central reception. The St Albans flat visited by me on many occasions. It is clean, I feel entirely safe and at home here. As One2one operates a very personal service only the lady of choice is present so the one to one feeling is quite special.

The Lady:

I had seen Candie once before some months ago at the One2one flat in Hatfield. I had been hugely impressed by her then and was not to be disappointed on this visit. She is a real beauty physically and has a lovely personality. Originally from Hungary and of mixed Hungarian and Romanian parentage she is not only beautiful and friendly and her English is also excellent. Her profile and pictures on the One2one website are accurate as far as they go, in the flesh she is absolutely stunning

The Story:

Circumstances had prevented me from seeing this beautiful woman after the initial time 3 month's ago. I had an excellent time tantric massaging this perfect body, she truly is gorgeous. The owo was brilliant as was the sex in at least 3 different positions. Got on famously and I certainly don't intend leaving it so long before I visit Candie again. A 5* lady.
