Beautiful red hair and pocelin skin, not one born for Sunbathing, a tidy size 10 with small boobs and pierced nipples, the photos are accurate so you wont be dissapointed.

The Story:

As the website says Sabrina is new to escorting but she definately is new to sex, got the usual exchange out of the way and had some requests regarding toys which Sabrina was happy to oblige with so went and got some, not going to go into too much detail but i'm on the bigger end of average and she put her nose on belly and licked my balls at the same time, i've only met one other girl who can take a cock that deep and hard down her throat and it was a long time ago, enough of the foreplay and Sabrina was very obliging in the main event, had one come deep inside her and somehow managed another over her face at the end, it takes a good girl to make me cum twice. Treat her with respect and hopefully she'll stay around.
