Young, soft spoken, nicely curvy American lady, about 5'4", mid-20s I would guess.

### The Story:

This was massage and HR only - of the Tantric kind, but very enjoyable and very satisfying and relaxing, notwithstanding. Aria was a bit formal at first, explaining her boundaries and asking about mine (she offers some bdsm services if that's your thing) and what I liked and didn't like, but soon opened up. As far as I was concerned this was just being professional. She is in fact chatty and interesting to talk with, but had no problem about staying quiet as she gradually built up my experience. I asked to come twice, and Aria's suggestion that we have the first one quite early in the session was very sensible as it allowed me to let go and relax to leave plenty of time for her to really build up the sensations and for me to enjoy them without having to worry about coming too soon. Aria was concerned for me to have a good time and I could feel that (literally) throughout our time together.

I went for the pricier option which allowed me to touch as well as be touched and I am very glad I did. Aria's limits in this regard are generous and I had a lovely and very intimate experience. The massage was done on a mattress, which meant that getting close was not a problem. Afterwards, she gave me plenty of time to come back down to earth and we had a nice chat about this and that after I had showered. I'm writing this a day later and still feel pleasantly calm and relaxed.

There's a lot of Tantric b/s and charlatanism around, but I think Aria is genuine and I am very glad to have spent time with her.
