### The Premises:

Small but smartly located flat in quiet street in Belgravia. I certainly couldn't afford to live there.

### The Lady:

Photos are a tad flattering but essentially accurate. Young-ish pretty-ish tall-ish girl in her mid 20s. Rather heavily made up for my taste but alas that is the modern fashion.

### The Story:

An impressively enthusiastic young lady who was receptive to a variety of insertions into a variety of orifices. Splendid stuff and I may well return.
