The Premises:

Safe, comfortable, clean property with free parking nearby. Warm and cosy inside, shower facilities and large double bed.

The Lady:

The most beautiful escort that I have ever had the pleasure of meeting. Extremely pretty young lady with dark blonde hair, warm smile, perfectly formed full natural breasts, peachy bum, long legs and smooth skin. Even more lovely in the flesh than her pictures.

The Story:

Greeted with a warm smile a long kiss and a hand inside my boxers. A long standing up kiss and mutual groping followed by Lucia gyrating her bum into me as she removed her tiny g string and encouraging me to free her amazing breasts from the bra that was barely able to contain them. More kissing and sucking of those fab breasts with very reactive nipples. Onto the bed and a chance for me to explore between those legs and found a very receptive pussy that seemed to enjoy my attention judging by the noises made, the wetness and the final arching of the back and squeezing my head further in which evolved into a long 69 allowing me access to her lickable bum as Lucia brought me close to climax. Didn't want to stop but wanted to be inside her so Lucia climbed on board and rode me to completion first in cowgirl then a deft switch from her to reverse cowgirl. Every bit as accomplished in the bedroom as she is beautiful. Can not wait to see her again and for longer next time.
