The Premises:

Usual Annabellas flat near Staples in MK. On arrival I was ushered into the bathroom as all rooms were busy. I do wish that where the MK agencies have busy flats with multiple girls working that they had a seating area, rather than having to wait in a toilet complete with skid marks.....

The Lady:

AS per the pictures, Claire is petite and slim

The Story:

After confirming services and sorting the cash, it was straight down to business with some DFK before Claire sank to her knees to deliver some great OWO in front of the mirror. After a good sniff of poppers we moved to the bed where Claire carried on with more OWO, pleased my nut sack with her mouth, and fingered my ass, before fucking me with her large strap on. At my request, she removed the strap on and sat on my face whilst pleasuring my ass with her dildo, before finishing in her inviting mouth.

After a clean up and chat about this and that, she did try to rouse my cock for round two. But as I had taken such a battering in round one, it was not possible.

After a spate of recent disappointing punts, it made a real change to find a WG who has her own equipment and knows how to use it!!

If you are looking for a WG who provides the services listed, then I would recommend Claire and will certainly revisit for another strap on session.
