The Premises:

A top floor flat in a parade of shops between Sydenham and Forest Hill. The entry isn't very discreet and the maid has to unlock a wrought iron gate at the bottom of the stairs. The room was tiny and dilapidated.

On the way to this location I realised I'd visited the address once before. That was about 13 months ago. It was quite difficult to get to because it is very busy traffic wise and it is between Sydenham and Forest Hill rail stations.

The Lady:

A busty black, Hispanic girl. The A/W pictures are accurate. I particularly liked her large nipples.

The Story:

Wendy was very friendly, but she wasn't very gentle. I guess it is a fast service location with 2 girls working. The session started with uncovered oral, but she was a bit too forceful with her sucking. She then climbed aboard for reverse cowgirl, but she moved her hips too vigorously. The session ended with doggy, but even then she was moving back and forwards aggressively to finish me off.

I think twice is enough, but it might be worth a shot if you live nearby.
