The Story:

I had to wait for 10 minutes only. I was then introduced to the room after paying 12 pounds. Demi arrived in nice dress. she asked if I need a massage, I told her maybe later. started kissing then went to eat her. she has absolutely perfect pussy, a pornstar one. then I licked her asshole, clean and tasty. I went up but she seemed disgusted, she told me she does not like being kissed after someone eats her because she is scared to get infected. anyway, she grabbed my cock and before doing me oral there was a precum, again she seemed disgusted and rushed to put a condom on and gave me a 10 seconds blowjob. she asked if I am ready - I was not very happy- but said yes. she went cowboy then reverse cowgirl. It was very mechanical. at this point I was disappointed that I came out of boredom. I asked how much time I have left, she told me ten minutes I suggested a massage. She did it with oil. I did not enjoy it and we had an awkward conversation during the massage. I just wanted to leave before my time ended. so I got up, got dressed and left. The reason I am giving neutral recommendation and not negative is because Demi has a really nice body, some may enjoy this, rather than that I did not have a good time. maybe I will try someone else next time
