Details of Service Provider:

Profile Name: VIP Call Girls

Website: <http://www.vipcallgirls.co.uk>

Notes: This agency has been found to have misrepresented photos of professional models as being of their escorts

The Premises:

City centre apartment. Easy entry using access code. Went into the apartment; very modern and trendy. Apartment was large and no one else was in there.

The Lady:

Even better in person than on the photos but I knew this because I had done some research. She also works for an agency in Manchester called bond babes where she is very highly reviewed. The receptionist from VIP confirmed that it is the same lady from Manchester who also works in Nottingham for VIP. I felt confident knowing that this lady had good feedback and the receptionist was good enough to email me some normal images including one of her face so I felt confident going ahead with this agency in Nottingham after a previous bad experience with another agency that I thought that was connected to VIP but is not. This girl is 10/10

The Story:

My member has never got so hard and excited in all of his life. She is now his best friend and he can't wait for her to come back to Nottingham again.

Sahara knew when I was getting too excited and slowed me down. She has the most perfect body and gorgeous eyes and remained good eye contact throughout the sexual experience. She started to talk dirty so I turned her over and slipped inside of her and had the best explosive orgasm I have had in years. I nearly collapsed on her.

She gave me a massage and refreshments. I had a shower and left a very happy man.

The agency has sent me a few pictures of some new girls that are starting but to be honest I won't be booking anyone else other than Sahara.
