The Premises:

DL has been reviewed many times.

Tatty looking old corner shop that has been refurbished inside to a very high standard.

Quiet residential road with plenty of safe parking.

The receptionist was very helpful on the phone, on arrival she was helpful and puts you straight at ease.

Paid £12 for the vip room, double bed, couch and mirrors on all walls.

Very clean.

Offered a hot or cold drink on arrival.

The Lady:

Emma is stunning, gorgeous figure and very easy to talk to.

At a guess I would say Emma is in her mid 30s, a size 10 and a C cup.

British/English with amazing long blonde hair.

The Story:

On arrival, I was taken to my room and paid the initial £12.

When Emma came in I had a massive grin across my face. Stunning does not do her justice.

I accepted a massage with talc so face down first. Turned over when ready and discussed what was on offer.

GFE with 69, kissing, cowgirl, reverse cowgirl and mish.

I couldn't fault the experience and I will for sure be returning to see Emma again.

Emma if you read the reviews, thank you for a wonderful experience.

Oh, and as for that guy in the series you were talking about,, Do I really look that old lol x
