The Lady:

Kitty is the perfect size 10, with real sex appeal, a body to die for. White british female around 5'4", with a 36DD bust.

The Story:

I visited Kitty as i was passng through Coventry, and i am so glad i did, this yung lady is passionate about her job, and goes with the flow, Kitty is full of sex appeal, and i would not have to think twice about a return visit.

On arrival i was asked if i wanted to use the shower, or other facilities provided, offered a drink, which i declined.

I was shown to the room, and was joined by Kitty very shortly afterwards, sorted out the paperwork, and then we both got undressed and i was asked to lie down for a massage.

Kitty gives the most wonderfull massage, and i very well educated and like to hold a good conversation.

It was then on to the main event, which i will not go in to detail about, as this has left a wonderfull mark in my memory and no doubt it will fora very long time.

This is my first visit to see Kitty and i can tell you it will not be the last, guys, this young lady is the one to see, treat her well and with respect and she will respond, she is, as they say the diamond in the rough.

Untill next time. x
