### The Premises:

Spacious front room with a bay window over a shop in the town centre. Seemed reasonably clean, and despite pulled curtains not too dark. Close to the station, bus routes and free parking 5 minutes walk up the road.

### The Lady:

Young and slim Korean girl. Long dark hair, lovely bush, prominent outer labia and large nipples on small breasts. A pleasant package, only problem was her limited English.

### The Story:

I paid an extra £10 for OWO which she performed to my preferences. She wanted to massage me, but her technique was appalling, no idea at all! So OWO followed by my preferred position with Lisa on her back, bottom on the edge of the bed and her ankles back by her shoulders, ah! these lovely supple young girls! No rush to finish and she helped me dress, including doing up my shoelaces. A pleasant time, but a pity about her poor English.
