### The Premises:

A really modern flat in the Royal Woolwich Dockyard. This was my third visit to this location.

### The Lady:

A very attractive, dark skinned Romanian girl with medium sized breasts.

### The Story:

I enjoyed this session very much. It started with Bianka leading me to the bathroom to give my cock a warm water rinse! I had showered beforehand, but this gave me a good opportunity to give her firm bum a good squeeze. I had a good erection when we returned to the bedroom and we then proceeded to have covered sex in the doggy and missionary positions. I gave a £10 tip so I could come over her breasts.

This flat is shared by other girls. It is in a very handy location near to Woolwich DLR & main line station. They are also building crossrail on this site.
