The Premises:

Valeria is based in a nice road in Paddington. There is plenty of parking on the street, but I decided to take the tube - Edgware Road is probably your best bet.

The building is accessible from the front and the back, but the street was surprisingly quiet so I just went in from the front and didn't feel awkward about it.

I was struck by the clean and stylish premises as I didn't expect it to be so good if I'm being honest.

The Lady:

This pretty young lady has a great figure, a pretty face and a warm personality. Valeria wore some really sexy, black lingerie and had a lovely, unpretentious smile.

The Story:

As soon as I saw her and our eyes met I knew I was in for a great time. We instantly hit it off both socially and sexually. Although I enjoyed the chat, I was desperate for a bj and before I knew it she had my cock at the ready.

She prepared me nicely with some great technique; not hurried but careful with that tongue. I can't remember the last time a girl made me this hard so quickly. The meeting was only 60 mins, but she has a lot of imagination so we managed every position. She's great on top and every bounce makes you want to cum too early.

We finished with some good old doggy style sex. This was fantastic as her bum is the perfect shape and makes it all the more pleasurable. One of the best escorts I've ever been with and highly recommended to put you in an instant good mood.
