The Story:

I was greeted at the door by Pixie herself dressed in a black lace dress with black high heels she then led me into the bedroom and came back with a glass of orange juice . She then started kissing me then spun herself around in front of me so we were facing a full length mirror and placed my hands on her lovely tits for me to fondle and lovely natural tits they are too . She then whipped my cock into her mouth for some swift energetic owo . I then suggested that I return the favour to which pixie threw herself on to the bed with a resounding yes please . So I started teasing and licking at her lovely sweet pussy and was complimented on my technique as I brought her off to a powerful orgasm which had her clenching her thighs against my head . She then gave me some more owo before asking did I want to fuck her . Well me being the gentleman how could I refuse ? So on with the rubber and into cowgirl where Pixie rode me into a excited frantic finish . Pixie has been on my list of go to girls and she doesn't disappoint in any way her reviews speak volumes . And I look forward to seeing her again soon xxx
