The Premises:

A ground floor flat a couple of minutes walk from George Street tram stop. The entrance opens directly on to the street although I didn't get the impression that passers-by knew what I was up to when I visited. The flat is clean but nothing special and appears to be lived in. No shower or bathroom facilities were offered although I didn't ask if they were available.

The Lady:

Alexia is a friendly, good-looking Polish lady. She is blonde, around 5'9" with lovely 36DD breasts and nice legs. Her AW profile doesn't show her face or much of her body but she was definitely the girl in the photos. However, I would describe her as size 12 rather than size 10 and mid 30s rather than 30. She speaks excellent English.

The Story:

Yet again I was unable to get a booking at short notice at my establishments of choice in Croydon on a Saturday evening so I decided to try a new girl on AW. I called Alexia and she said she would text me her address which she did immediately. I then called her again when I was in her street and she opened the front door and invited me in.

Alexia took me straight in to the bedroom. After completing the paperwork we both undressed with lots of caressing. Kissing was on the lips but not French despite her AW profile saying that she offers GFE and real deep kissing. I gave her a massage which she enjoyed followed by lots of attention to her fantastic breasts and fingering between her legs which she also seemed to enjoy.

Alexia then put the condom on and we moved on to sex. Surprisingly she didn't offer oral or reverse oral which I would certainly have expected to be part of any GFE routine. Sex was missionary, cowgirl, deep stick, doggy followed by more missionary at which point I came as she groaned contentedly. Objective met.

Overall, I enjoyed my session with Alexia and went home satisfied. However, the lack of GFE in her performance when she claimed on AW to offer a GFE was rather disappointing so I wouldn't see her again for more than a quickie or an uncomplicated 30 minute shag.
