The Premises:

High quality city centre hotel with plenty of parking nearby. Nice big room clean room with shower facilities available.

The Lady:

English, late 20's petite (5'3"), great slim athletic body with a peachy ass and 32DD tits. Exactly like she looks in the photos if not better. Nice tan too.

The Story:

Lacey started by teasing me as soon as I was in the room, Her dress barely covered her ass as I followed her. She turned round pinned me up against the wall and started kissing me passionately while grabbing my cock which was rock hard by now.

We opened the champagne and as we drank it she start going down on me taking my cock deep into her mouth. This is one of her specialities, she really loves sucking cock and taking it as deep as possible.

I face fucked her for a while but I wanted to touch that pussy of hers. Sucking cock gets Lacey so wet as my fingers found out as soon as I touched her pussy.

Licking Lacey out is a delight, her pussy tastes so nice and if you get it right she encourages more and more which gets her soaking wet and her clit really throbs aching for your cock. After a good 20 mins licking her pussy and sucking on her great tits, doing 69 and in front of the mirror (yeah she loves to do stuff in front of the mirror, such a turn on!), she demanded I fuck her.

She first lowered herself onto my cock and screamed with joy as she rode me, I was trying hard not to blow my load too. quickly but it's hard not to when this hot girl is riding you and really enjoying it. I managed to last and fucked her doggie as she looked round at me telling me to fuck her harder. As she did that I cum like never before, it was like an explosion!

Afterwards we had a lie down and a chat and as my cock came around she gave me a long deep blow job, taking me all in her mouth until I squirted a second load into her open mouth which she expertly dribbled onto her tits which looked so hot!

After that I was literally spent and although I hadn't realised but I was about 15 mins over, she is so relaxed though it didn't matter and I wish I could of stayed longer.

Will definitely see her again! Lacey is the best out there!
