The Premises:

Easy to find, discreet ground floor flat with its own entrance, very clean and modern, just a minute walk from Bayswater Tube station

The Lady:

Tall Eastern European Girl, pictures dont do her justice- looks much better then her profile pictures, real age i would say not more then 22, very mellow, polite, speaks fairly good English, very obliging to all my requests

The Story:

Wow, May greeted me with the sexiest lingerie and high heels! My jaw dropped and I knew I was in for a good thing...

She offered me a glass of wine which I accept it to ease my anxiety, although not my first punt I was a little bit nervous as this girl reminded me of a girlfriend I had from my University days, that made the whole adventure even more exciting!

In the bedroom, she ticked all the boxes with a few extra surprises that she had on her menu! An adventurous girl that offers Alevel at extra, I think, I will leave that for the next time... Definitely coming back for more!
