The Story:

I have been with over 200 working girls over the years and I can say without hesitation that my time with Charlotte was the best! I've been to GFE several time but this was my first time with Charlotte. She is GORGEOUS!! Very friendly, pleasant and easy to get along with. She is totally professional and made me feel that my pleasure was her only concern. No faked orgasmic noises or other tricks, just very, very good at what she does. I had the girl-friend experience option and we started with some very relaxed and sensual kissing (no tongues; the only slight disappointment but everything else more than made up for this.) When Charlotte went down on me, she started by sucking my balls, which is one of my favourite things. She did this without me having to ask and when I told her how much I enjoyed it she did it more. Then the VERY BEST blow job I have EVER experienced!! At last, a lady who realises that just bobbing her head up and down your cock isn't the best blow job method. Charlotte was slow and sensual, licking and sucking, teasing and deep. Charlotte looked me in the eyes throughout and I found this incredibly sexy. It was sensational. Charlotte is worth going to see just for this experience! When I asked to go down on her, she suggested 69 and this was simply amazing. Her pussy is so sweet tasting and I got a perfect view of her perfect arse. Her clit felt so good on my tongue. Charlotte asked me what my favourite position is and I asked her to ride me. She got into reverse cowgirl and again watching that bottom riding me and seeing my cock going in that sweet, tight pussy was wonderful. She was happy for me to touch her anus as long as I stayed on the outside and was gentle. Then she turned round and rode me with lots of sensual kissing and cuddling. I asked for missionary to finish with and, again, lots of kissing as I pounded into her with her gorgeous long legs wrapped around my back. I finished off with an earth-shattering orgasm. Afterwards, there was no awkward silence as Charlotte chatted in her very friendly way as she helped me to clean up. Very, very highly recommended! I will be back very soon. I don't think any working girl will match this beautiful, lovely girl and the fantastic experience she provides.
