The Premises:

I am delighted to report that Fingertips has reopened after a summer closure. It is under new management, but it continues to be very well run. The madam is friendly and helpful, and the rooms are very clean, comfortable and well-appointed. There was no rush and I got my full 20 minutes. The madam is still recruiting, and she already has a bevy of other girls, so I think the parlour's future is assured. Once again, Fingertips has become the best parlour in the Potteries.

The Lady:

Aynsley is a Manchester lass who now lives locally. She is a tall blonde in her early thirties, with a pretty face, a lovely figure and a very nice personality.

The Story:

Aynsley wore a basque, knickers, stockings and high heels, and she looked very sexy. She gave a real girlfriend experience with very good oral and very sensuous behaviour. She is my new favourite, and I shall be seeing her again soon.
