The Story:

Poppy is a very warm and beautiful girl. She is great at what she does and takes control in a subtle way. She is very skilled and knows how to relax you and give you a enjoyable session. I won't tell you all the details but just know you will be in for a nice treat. I would definitely go and visit Poppy again. I must also mention the management, it is refreshing to see that there is care taken to ensure the establishment is managed professionally and there is a real concern to keep the customer happy. Thanks Ego Massage - Poppy, Millie keep up the great work !
