The Premises:

Near Staples. It was Saturday and the area is full of offices so there was plenty of parking spaces around.

Room was quite small but I'm not Phil Spencer so not bothered by this, still well fit for purpose as the bed was more than big enough. No ensuite shower.

The Lady:

I probably won't exaggerate if I say she looks even better than her pics. I'd give her 22-23 years, she is slim, probably size 6, has a pretty face, smooth skin and perk breasts that fit her figure ideally. They may be small but on her body are average really plus they look very nice. One of the prettiest girls I visited.

The Story:

Greeted by the maid, was offered drink and shower.

After a few minutes of waiting Kim walked in wearing only her knickers and high heels. No bra was a bit of a surprise but it didn't matter since it would have gone down within a minute or two anyway. We first had a quick chat and although Kim's English is not great she makes up for it with her friendly and smiley attitude. Started the session with OWO which was generally good but nothing special. At the same time I was stroking various parts of her body and at some point it was clear her nipples are very sensitive so she asked to be a bit more careful with them. We swapped around and I enjoyed licking her for quite a long time before we moved onto 69. Next was a bit of perving as Kim was playing with her pussy in front of me until she climaxed with my little help (pretty sure it was genuine). I let her cool down for a while then started to tease her and lick all over her body. After a few minutes she was ready for sex (impressive recovery if you ask me) so we started with mish, then moved onto doggy and I soon came in her pussy. Quick chat, clean up then a kiss on the way out.

Very pleasant hour spent with a beautiful and nice girl. Hopefully she won't be leaving any time soon as I'm tempted to visit her again. If I had to point out a negative then if I'm really picky it would be Kim browsing her phone immediately after the session before I left. Not a big issue for me as we still chatted and laughed as for the most of my time there, but someone might possibly get slightly

irritated by it.
