The Premises:

One of Annabelle's usual location, clean and tidy as is the norm

The Lady:

The lady, young, slender figure a real slinky minx. Lovely legs with a lush little bottom. A trimmed lady garden... nice, pert boobies. Smooth pale silky skin my perfect little china princess

The Story:

I'll make no bones about it, I'm a big fan of Sabrina's and I've seen her a couple of times now. I'd stand by my above physical description but its only when you meet the lady will you discover her other charms. She's a lovely, warm, witty character delightfully inventive/mischievous in equal measures. An often re-churned mantra, be clean and as with all the ladies at Annabelle's treat her with respect. Do that with Sabrina and you will have a great time with her. Would I recommend her to first timers, yes you have a hell of an experience. I myself can't wait to see her again.
