The Premises:

Nice Part of Town and a domestic basement flat . a little dark for my liking , Miss Linda says she is moving to better premises soon

The Lady:

A tall slim lady , attractive and resembling her photos ,

The Story:

Miss Linda received me, we chatted and i was offered a drink,a decent gin and tonic was produced, which was lovely . I outlined what i liked and didn't , This was a First meeting with Miss and when meeting a Dom its a fine line to outline likes and dislikes without "topping from the bottom" however she did this excellently.

A delightful role play followed where i was to confess to taking advantage of my staff. Miss put me over her knee for a spanking followed by some time on her bench all of which gave me a glowing bottom,my cock and balls were bound with her stockings which felt excellent. I am a bit sensitive to spanking if done too hard , but she seemed to get me into that great sub space where I could have taken more.

Miss donned her strap on and forced me to my knees I was instructed to suck on her delicious "cock" which she seemed to like. once Miss was satisfied i was humiliated enough I was allowed to stand in front of her , my Cock was released and after much torment with a large vibrator during which Miss Linda remained clothed I was allowed to attempt to satisfy her pussy, I really enjoyed this especially as she remained clothed with me just pulling her panties to one side .

finally i was allowed to cum over her pretty feet which felt and looked delightful.

Miss Linda gave me time to come down and refilled my Gin and Tonic , we chatted and all in all had an excellent fist session .

I would recommend her wholeheartedly to all you men and women out there who enjoy a little kink mixed with sensuality and tease .
