The Lady:

Tall - taller than me (I'm 6 foot) in her shoes but a couple of inches shorter in bare feet, attractive in a girl next door sort of way, dark brunette, slim, small breasts, shaved between the legs, definitely her in the photos, reportedly Polish but in appearance can be from anywhere in Europe.

The Story:

This was a very enjoyable session as it turned out. If truth be told, Charlotte wasn't my first choice that day who was fully booked throughout the somewhat narrow timeframe of my availability. I didn't fancy travelling the extra leg to West Kensington so I went ahead with the booking even though I had some reservations having read her profile and all of her PNet reviews. I'm glad that on this occasion my punting instincts were wrong.

She's warm and friendly in a natural (as opposed to professional) sort of way right from the start which for me enhances the experience greatly. After some pleasantries, we moved onto lots of fk and then owo (her technique is excellent) and then ro finishing in missionary while fk'ing. She didn't allow fingers inside nor cim but I wasn't expecting either so there was no disappointment.

As we said our goodbyes, she predicted that I'll be smiling at work for the rest of the afternoon and she was so right.
