The Lady:

Lovely outgoing, funny and friendly Yorkshire lass. She is fairly tall - about 5'6", with medium length dark hair and green eyes (I think coloured contact lenses but not certain). Early/mid 20's. Very nice skin and in really good shape - not too skinny but with no excess weight.

The Story:

Anastasia called just as she was arriving at the hotel as there had been problems before for her getting in to that location after a certain time of night so I met her outside. Immediately it was like meeting up with an old friend, she is very friendly and with a great sense of humour - likes to chat too which is a good thing as far as I'm concerned but might be annoying for those not interested in that side of things!

She is fairly straightforward and to the point but really gets into things - seems to genuinely enjoy sex and isn't afraid to show that she's having a good time. Of course, it may mostly have been for effect, but if so she is a great actress! Covered BJ followed by a 3 or 4 different positions. Not a clock-watcher, she was in no rush to leave and stayed a bit over time.

Anastasia is definitely more GFE than PSE, but is fantastic company and it is a very good thing for my bank balance that I don't find myself in Leeds very often.

A great girl, highly recommended.
