The Premises:

A well-known location in Chelsea that is home to a fair few girls, it is hassle-free if a little lacking in luxury. 5 min walk from the tube and with various street parking nearby. Nice clean room in a shared flat, with ensuite shower.

The Lady:

Mid-20s, around 5'6", Frankie is very similar to her photos but without as much make-up, which gave her a much more 'girl next door' look which I personally love. I also loved how friendly she was, quickly putting me at ease and making the whole experience a very relaxed and enjoyable one.

The Story:

Was able to book and see Frankie at fairly short notice, and on arrival was surprised to see Frankie looking a fair bit different to her pictures, but only because she was without make-up. Usually this is a disappointment but I thought she looked a lot better tbh. Wonderfully slim figure, she is petite and perfectly proportioned.

After a quick shower, we had a little chat and a superb massage before getting on with things. Great OWO technique - slow and gentle and encouraging me to explore her body while she was doing it. After that, cowgirl was amazing, followed by doggy and mish, all done very well and without any unnecessary acting. Followed it all up with more chat.

Frankie is an intelligent, very friendly girl who is eager to please and knows how to do so. I would say she is definitely more GFE than PSE, but can I'm sure vamp it up a bit if requested to do so. I will definitely return, which I don't say too often.
