The Lady:

Tall, slim, blonde, Billie looked incredible from a distance as she left her car to walk toward the hotel entrance, but was a bit heavy on the make-up. The photos are definitely of her, but not quite as attractive as I'd hoped.

The Story:

Things were quite pushy from the off, having made the booking, I got a call from Billie wanting to come over a little earlier than agreed. Wouldn't have been a problem but I was getting some cash out and still needed to get back to the hotel. She said 'call the agency as soon as you get back there'. I was about to do that having just got back to my room when I got another call from her asking if I was there yet!

When she did arrive, Billie was fairly friendly but seemed a bit on edge throughout. It was quite hard to establish any rapport with her. Once we got the small-talk out of the way, she was really keen to get onto things as quickly as possible, starting with a frenetic covered BJ which she didn't want to do for long as she was using a lube/flavouring which she hadn't tried before and said wasn't very nice. Sex was pretty frenetic too, Billie seemed keen to get things done as quickly as possible. Problem is, that doesn't necessarily work with me so when I tried to slow things down, she told me to go faster, saying "I need to get something out of this too!" which I found quite funny I must admit.

There was definitely a desire to get things done as quickly as possible and tbh, since there was no real spark or friendliness, I was quite happy to wrap things up sooner that I would usually like too.

Billie is great for a quick session, but don't expect great talk or any kind of GFE. It's a bit more transactional than that.
