### The Premises:

NOt easy to find as the entrance is on a different road

### The Lady:

Like the photos, but someow smaller than I expected

### The Story:

Certainly very beautiful girl and it was a privilege to fuck her. As someone said previously, the sight of your cock in her mouth is almost enough. But, and maybe it was me not her, I felt curiously disconnected from her. I'm not sure how that can happen when you are pumping your cock into someones cunt, condon or no condom. I like my girls beautiful, slender and dirty. But a recommedation because she deserves it and I don`t. Her favourite is doggy.
