The Premises:

Typical South Kent apartment. Clean easy to find and not problematic at all.

The Lady:

Her face is that in the profile but the pictures are massively photoshopped. She is attractive for sure but her breasts are not even close to those on the web site pics. Still looks wise she is pretty.

The Story:

Really poor. Arrived having agreed various services with the agency. Showered. Then it was down hill. Services were limited. No French kissing just some limited touching of lips but nothing to set your heart racing or excite you at all. Owo was good but short lived. Sex was dull. She just lay there like a dead body. Afterwards wanted to rush me out. I insisted on a second jump but even with that I was out in under 40 mins with a shower before and after. Really dull and not £150 well spent. Honestly guys DONT BOTHER HERE. Your money can be better spent elsewhere.
