The Premises:

As described everywhere else. Clean, discreet, 2 minutes from the tube. 2 fetish rooms. One hard-core with restraints, cage, cross etc. The other with a "normal" bed.

The Lady:

Photos are accurate. She is lovely. Tall, thin but busty. My cock pointed north as soon as I saw her. On first meeting she seemed too nice to be a cruel mistress, but I was soon to be proved wrong

..

The Story:

I asked for tie, tease and humiliation. And that's what I got. And how. After 20 minutes of spanking, paddling and caning I ended up face down on the bed, my arms restrained and my arse in the air. Cassie shoved a butt plug up my anus and started working on my balls and perineum with a pin wheel. When I couldn't take any more of that, she placed at least a dozen clothes pegs on my balls.

Eventually I cried for mercy and was released from bondage. I was then forced to wank until I came on the floor. But that wasn't the end. I had to lick my cum off the floor and my shit off the butt plug. Only then was I free to go.

Fucking amazing punt, but not for the faint-hearted. I will be back when I'm brave enough.
