The Premises:

The entrance is from the parking lot around back. They must keep a close eye on cctv as a woman, who turned out to be Sukeera, talked to me on the intercom as soon as I stepped in. The room was nice.

The Lady:

Sukeera. Her pictures on the website are accurate. She is pleasant and responsive. Japanese ethnicity but seems to have an English accent

The Story:

This was only the second place have I visited in Birmingham (Blue Ice being the other). I had previously asked for information by filling out the form on their webpage but they never responded. (Sundays are a bit better for me and I was interested in getting a bit more of a description of Morgan than they had on their website).

Sukeera meet me and took me to a room. I was shown her and Carla. Maya then came in to the room, said she was not ready (she looked like she had just finished with someone) and asked if I wanted Sukeera, Carla or Kellie (who I had not seen). I went with Sukeera. The cost was 65 for what she called basic plus a room fee of 20. I enjoyed it so I put down that I would repeat but honestly I will likely check out another place first to see what else Birmingham has to offer.
