### The Premises:

### The Lady:

Laura looked a lot more like her pictures than i expected her to, however she does have curly hair on the website which was something i was looking for and she did turn up with straight hair but my all means it didn't take anything away from how stunning she is in person.

### The Story:

From the minute Laura arrived to the hotel room i provided, she was very confident and engaged with me in a flirty nature which really did turn me on straight away. She started the booking by giving OWO which was by far the best part of the booking, she included lots of eye contact the whole way through i honestly couldn't take my eyes off her. Laura offered an incredibly high level of service in fact one of the highest levels i have experienced, i will definitely be enjoying Laura's company again very soon.
